

Again this year, we are connecting with our community and impacting the lives of our youth through the game of golf.

Quiency Bradley
President, GMGA

Our Association

GMGA is a 501c3, non-profit organization established in September 2007. Our mission is to present individuals of various backgrounds an opportunity to develop and employ life values and character-building through the game of golf. Annually, we pause our play to extend our mission to the community by conducting charitable, humanitarian service.

Our Charitable Partner

GMGA is excited to continue our partnership with Mississippi Families for Kids. Our love for young people and eagerness to impact their lives has solidified an unbreakable bond. Together, we support the educational advancement of our youth by teaching and developing basic core characteristics that will shape their future.

Our Venue

Patrick Farms Golf Club, located in Pearl, MS, designed by Randy Watkins and open since 1999; Patrick Farms is a beautiful semi-private golf course. The fun, playable course is in excellent condition with its well conditioned Bermuda fairways that inspire long drives into the newly renovated Mini-Verde greens while enjoying scenic views throughout the course.

Our Vendors

GMGA has incorporated a vendor mall into this event to enhance your tournament experience. Our vendors are locally owned small businesses that offer a myriad of products and services to excite your interest. Our mall offers you the opportunity to browse through and support your local businesses.
